Bodiography Contemporary Ballet College Preparatory Program is designed to enhance technique, artistry, alignment, and professionalism in the genres of ballet, pointe, modern, jazz, Pilates, choreography, improvisation, and repertory. This program is designed to train healthy dancers in technical proficiency and artistry. Additionally, with BCB's primary fervor for education, preparation for a collegiate career utilizing physical artistry with academic excellence is a goal in which the organization strives. With an outstanding faculty of nationally and internationally renowned educators and Bodiography dancers, it is a program of the highest quality.
